Adopt an Animal

Do you have a favorite animal in our Outdoor Wildlife Complex?

This Refuge fundraiser allows you to 'adopt' your favorite animal, and help to provide the best possible care .

Your tax-deductable donation will allow the Refuge Staff to:

- Enhance your animal's dwelling space
- Provide for the best possible diet/care
- Assist in paying for veterinary procedures & preventative treatments
- Enhance and expand our educational programs

Anyone can adopt an animal!
A great idea for kids, families, scout groups, teams, & businesses, to help provide a happy and healthy life for their favorite Refuge resident.

All adopters will receive recognition on our Adoption Tree board located inside the Refuge entrance booth.
See our variety of adoptions!
