Summer 2021 Internship Opportunity

Intern Educator for Little Naturalist Program

This is an unpaid Internship for a College Student studying Environmental, Educational or Animal related sciences.

DURATION: 9- weeks, 13.5 hours per week minimum

**SCHEDULE: Tuesdays, Wednesdays, Thursdays, 8:30 AM – 1:00 PM, starting June 29.
Plus 3 half day trainings in June.**

Organization Background: *The Quogue Wildlife Refuge is a 300 acre non-profit nature preserve that was founded in 1934 and is home to diverse wildlife. Open 365 days a year from sunrise to sunset, visitors can enjoy walking seven miles of trails to explore diverse habitats including forests and ponds, as well as the ecologically rare Dwarf Pines in the Pine Barrens. The Outdoor Wildlife Complex houses permanently injured wildlife that require human care to survive including a bald eagle, owls, falcons, foxes and other native New York animals. The Charles Banks Belt Nature Center offers spectacular views of Old Ice Pond as well as a variety of wildlife exhibits, live animals, a nature library, and gift shop.*

Internship Activities:

- Assist in teaching lessons, leading activities such as crafts, hikes and games for children attending the Little Naturalist Program. Nine sessions of this Program are offered throughout the summer. Children ages 4, 5, 6 years old attend from 9am-noon during this 3 day program.
- Assist with attendance, and various aspects of the program including ideas for crafts and games, set up and break down of camp activities, and safety of children.
- As a representative of the Refuge, you may be involved in educating the parents/families or visitors about local wildlife and about the Refuge.
- Maintain neatness of nature center for visitors after program.

This is a great opportunity to gain experience educating young children about nature, to learn about the various wildlife and habitats of Long Island, to interact with and learn to teach with and about a variety of native and non-native species. Also an opportunity to gain an understanding of how a non-profit organization operates.
